

Large Format Hologram display Solution

To achieve Large format hologram display, we provide a solution which similar to LCD TV Wall solution. With our technology, we group hologram display together to form a huge 3D display area. It is no limitation of the size and provide 3D pop up effect.

Benefit:

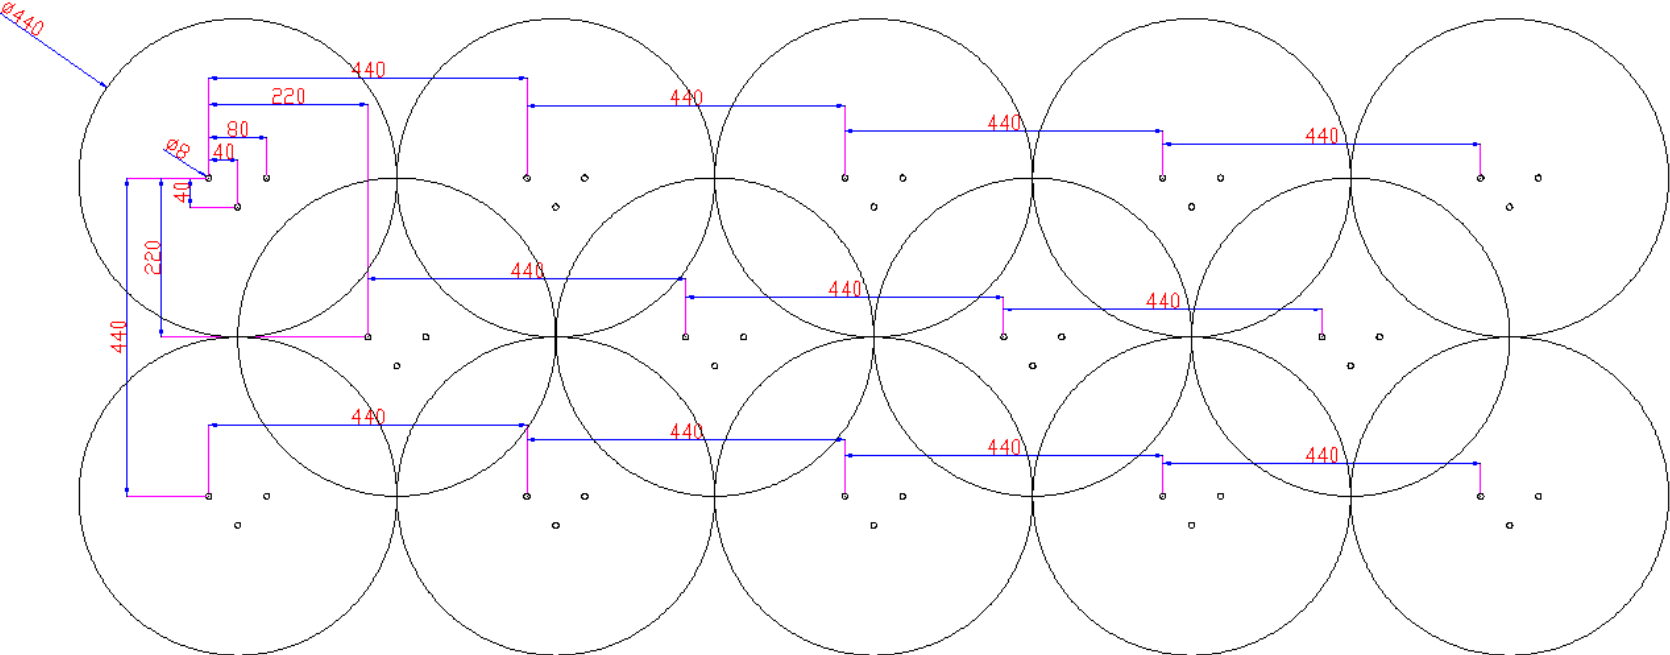

1. Light weight
2. Easy to install
3. 3D image (semi-transparent) and allow to see through the image

Z-plus

Dimension:	430x130x110 mm
Weight	1800g
No. of LED:	224 pcs
Viewing Angle:	160°
Input Voltage:	AC100-240V , 50/60HZ
Resolution:	450 x 224
Support Resolution:	MP4 、 AVI 、 RMVB 、 GIF 、 JPG 、 PNG
LED Spec.:	1010
Power Consumption:	<15W
Housing:	PC + ABS + Aluminum
Storage:	4GB SD Card

Concept Sample: 1.7m x 1.3m Pattern

Sample

Proposal 1: 3m x 3m

- 74 set of Hologram Display

HK\$4500 X 74 = HK\$333,000

Proposal 2: 4m x 4m

- 130 set of Hologram Display

HK\$4500 x 130 = HK\$585,000

Video Conversion to Hologram Display format:

Proposal 1: HK\$30,000

Proposal 2: HK\$38,000
